VOL XXVII, No. 212

OKLAHOMA CITY, SATURDAY DECEMBER 18, 1915.

"Shaffer County" Advocates In Oklahoma City to Wait on Governor Williams

MAY FIGHT PETITION

Residents of Creek County Who Want to Join Pawnee May Be Opposed

A DELEGATION of a dozen or more more living at present in Lincoln Payne and Creek counties, arrived in the such a belong Oklahonu City Saturday marning to confer with Governor Williams with respect to the establishment of a priv it colleged, the fest inposed for roundy known as Malffel and a great steel bears to county, to be carved from the (iel) of H. cyncining through some fields of the Cushing (Batch)

The Shaffer county proposition for an inner thermalier times imaging fire for many months. and carrowsy mosed soccase at the enerum told on February 7, 1914 The backers of the proposition they were defeated by only 44 years. There in 1945. however, the agitation for the

the statute susperting it provide that these to the annual report of the no new counts can be formed in the series, which it the corn labours with two man four hundred part was that the European miles of taxable area or with a population Mexican horses parties intion of less than those. Then in the destributes of includents.

June the cuts of common extended there is what her the state its city limits in a marrox stelp a disteres of two miles and a half porth its officers and ing men a toward the county tipe of the proposed corre on the present work orgery and our sits of stillwater folbroad to extending its also that's onet proposed county straight through the city limits of both cities and since the statute provides also that he new county may be formed which has its houndary lines within ten miles of the county sent of another county the promater- of Shaffer had a difficult timehard of them in faculties a solution t keep the Hudts of the proposed counts more than four hundred miles in uren ;
